Division of Plastic Surgery
Medical University Graz / Austria

WELCOME TO GRAZ !

Dear colleagues, dear friends and guests,

It is a great pleasure for us to welcome you to Graz at the 9th International Congress of the European Society for Laser Aesthetic Surgery from June 22nd to 24th, 2006. At this congress we expect delegates from all European countries to meet and exchange experiences with other international colleagues. Speakers from different fields of laser surgery will give plenary lectures. The scientific program should attract young doctors and scientists in training as well as established researchers. A wide range of subjects will be covered and the plenary lectures are aimed at giving overviews and updates on recent research and clinical applications. During the congress a trade exhibition will take place, where the main companies working in the field of laser surgery will participate.

Graz is indeed a striking beauty and is well known to bring long lasting and exciting nights. Self-confidently, the city presents itself and its visitors with new, fascinating landmarks and historic monuments, among them entire parts of the city, such as the Old Town, ennobled and protected as a UNESCO World Cultural Heritage Site. The city's "lifeline" is the Mur river, which provides the city with a gentle and tranquil rhythm. But Graz is above all a melting pot of cultures. Since centuries this Cultural Capital is influenced by musicians, poets, architects and designers.

We will be doing our best to make your stay here comfortable so that you can take along lots of happy and lasting memories with you.

Looking forward to seeing and to cordially welcoming you in Graz!

Mario A. Trelles, Spain

President of the European Society for Laser Aesthetic Surgery

Stephan Spendel, Austria

Congress President

*Division of Plastic Surgery
Head: Prof. E. Scharnagl, MD
Medical University Graz / Austria*

ESLAS EXECUTIVE COMMITTEE 2004 - 2006

President:	Mario A. Trelles, Spain
Vice-President:	Peter Bjerring, Denmark
Secretary-General:	John Carruth, United Kingdom
Honorary Treasurer & Membership Secretary:	Paraskevas Kontoes, Greece
Scientific Secretary:	Pavel Brychta, Czech Republic

Under the auspices of the Austrian Society of Plastic, Aesthetic and Reconstructive Surgery

ABSTRACT SUBMISSION

Abstract Form is to be found on our website: www.plastsurg-graz.at

Deadline for abstract submission has been prolonged to May 7th, 2006.

Only online-submission via the website www.plastsurg-graz.at is possible.
Guidelines for abstract submission are given on the website.

TOPICS

- Basic research and laser physics
- Laser and hair: add and remove (incl. hair reconstruction)
- New horizons in surface remodelling
- New horizons in body contouring
- Photo dynamic therapy
- Skin diseases and laser treatment
- Laser and vascular lesions: update 2006 (incl. vascular anomalies)
- Laser and pigmented lesions: update 2006
- Combined rejuvenational techniques (incl. endoscopic and minimal surgical procedures)
- Future aspects in aesthetic and laser medicine
- Low level laser and other "soft" light sources
- Free communications

PRELIMINARY PROGRAM

THURSDAY, JUNE 22nd, 2006

09:00 - 09:30:	Opening Ceremony
09:30 - 10:15:	Key Note Lecture <i>Quality control and management in laser medicine</i>
10:15 - 10:45	Coffee break
10:45 - 11:30	Session I: Basic research and laser physics
11:30 - 12:30	Session II: Photo dynamic therapy
12:30 - 14:00	Lunch
14:00 - 15:15	Session III: New horizons in surface remodelling
15:15 - 15:45	Coffee break
15:45 - 17:00	Session IV: New horizons in body contouring
19:30	Festive evening "A midsummer nights dream"

FRIDAY, JUNE 23rd, 2006

09:00 - 10:30	Session V: Laser and pigmented lesions: update 2006
10:30 - 11:00	Coffee break
11:00 - 12:30	Session VI: Laser and vascular lesions: update 2006
12:30 - 14:00	Lunchsymposium <i>New Generation Filler - Puragen[®] (Mentor)</i>
14:00 - 15:30	Session VII: Skin diseases and laser treatment
15:30 - 16:00	Coffee Break
16:00 - 17:30	Session VIII: Laser and hair: add and remove
17:45	General Assembly of ESLAS Board Members
19:00	Get together in the Industrial Exhibition Area

SATURDAY, JUNE 24th, 2006

09:00 - 10:30	Session IX: Free communications
10:30 - 11:00	Coffee break
11:00 - 12:30	Session X: Combining rejuvenational techniques
12:30 - 14:00	Lunch
14:00 - 15:30	Session XI: Low level and other "soft" light sources
15:00	Closing Lecture <i>Future aspects of aesthetic and laser medicine - Where do we go?</i>
15:30	Closing remarks

INSTRUCTIONAL COURSES (Hands-on-training)

Saturday, June 24th, 2006, 9:00 - 12:30

09:00 - 10:30	No.1: Scar management: Part 1: Conservative treatment	<i>D. Kopera</i>
	Part 2: Er:YAG Laser (Burane XL [®])	<i>G. Wittgruber</i>
	No.2: Infrared light (Novaplus [®])	<i>J.L. Levy / D.Kopera</i>
09:00 - 10:30	No.5: Fractional Resurfacing with Fraxel (Reliant [®])	<i>Ch. Diericks</i>
10:30 - 11:00	Coffee break	
11:00 - 12:30	No.3: Vascular laser: Long-pulsed Nd:YAG Laser (Mydon [®])	<i>S. Sünkel</i>
	No.4: Skin regeneration with ReCell [®]	<i>T. Rapp / G. Wittgruber</i>
12:30 - 14:00	Lunch
